SCHEDULES OF 2018.....2

Happy New Year to KADA Friends and Colleagues,

Greetings,

It is truly an honor to serve as President of KADA for the second term. I look forward to working with all the dentists, dental students and vendors to grow KADA and make a positive impact to our dental community.

We will soon be celebrating the 50th Anniversary of founding of our association, which was started by a handful of immigrant dentists back in 1969.

It has steadily grown over the years to what it is today with all of your support and participation. I believe we can pull our strengths and talents together to grow KADA even more.

There are some exciting change coming to KADA this year: The executive committee has proposed a Bylaws change for the term of KADA President to be an ONE YEAR term, from the current two years

Subsequently, Bylaw Committee has been working hard on making the amendment, and its recommendation will be presented to the membership at large shortly for review, via email and website.

All communications will rely heavily on Facebook, email, and our Website: KADAUSA.COM.

We look forward to connecting with you at our KADA events.

Our new email address is KADAUSA2018@gmail.com.

We would love to hear from you regarding suggestions, feedback and any requests.

Thank you for allowing me to serve again.

Yours truly,

Brian Y. Hong, DDS, MS

President, KADA

Past-President, 2010-2011
